Suggested Fundraising Goal
\$500 +

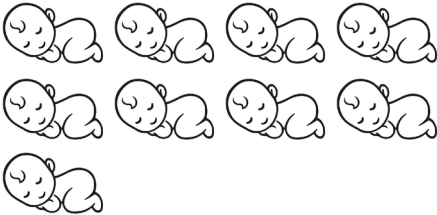

My Fundraising Goal is

\$ _____

Register, donate and find answers to FAQs at supportfcwc.com/walk

Fill in all the babies as you receive sponsorships to reach \$500!

10 donations at **\$25** saves the life of a child by providing one woman with a life-changing ultrasound!

3 donations at **\$50** provides the incentive for three women to receive healing in our post-abortion recovery class.

1 donation at **\$100** helps us support parents, after choosing life, through our parenting class!

Remember, sponsorships are not based on miles walked.

EARN A T-SHIRT

Earn a free t-shirt for you and your team with every \$300 you raise!

Keep Going!

Have you reached your initial goal of \$500? Hooray!

You have made it possible for women facing unplanned pregnancies to receive help during their financial crisis and be able to choose life. Keep fundraising to help even more moms stabilize their lives.

Our Goal: \$150,000

The women we help often can't see beyond the past due bills they are facing. Your community's generosity provides assistance so these moms can keep up with rent payments, childcare costs, and car maintenance to have reliable transportation to work. Thank you for helping us reach more women with the message of hope and life!

Did You Know?

Out of 159 counties in Georgia, Cobb County ranks 4th highest for residents who abort.

Whether you WALK or STAND in support for the unborn, thank you for doing your part. Your efforts help reduce abortion and build stronger families in the area God has given us to influence!
